

# Lake Rotorua Catchment Stakeholder Advisory Group

## Agenda for Tuesday 18 June 2013, 9am-12pm

Venue: Committee Meeting Room 2, Rotorua District Council offices

1. Karakia, welcome
2. Apologies, previous StAG minutes
3. General business items to add
4. **Nutrient allocation** (main item, about two hours):

This will be a facilitated session led by BOPRC's Kerry Gosling and Steph MacDonald – a more detailed session outline will be given on the day, covering:

- Session purpose and format – Chair Stuart Morrison and Kerry Gosling
- Key elements of the draft “Policy decision paper: allocating Lake Rotorua’s sustainable nitrogen limit amongst land use activities” – presentation by Sarah Omundsen
- Pros and cons of grandparenting and sector average approaches
- Preferred approach
- Modifications to preferred approach
- Nitrogen trading

5. Incentives update (Anna Grayling)
6. General business

Attachments circulated with this agenda:

1. Draft policy advice paper on nitrogen allocation
2. Minutes from 13 May StAG
3. Minutes from StAG subcommittee meetings.
